

NG BETA

**Congratulations,
you are invited to join Beta Club!**

North's Beta Club is one of the largest Beta Clubs in the region, and definitely the largest organization on campus. In the 2012-2013 school year, 9th, 10th, and 11th grade members logged a total of 15,000 community service hours.

In the past, Beta Club has undertaken projects in both the community and worldwide. One of our most memorable projects has been Trunk-or-Treat, which has raised hundreds of canned-good donations for the Gwinnett Co-op. Beta Club also sponsors events that raise money for charities like World Vision through a day-long fast, trips to a soup kitchen in Atlanta, and events that take our members into the Suwanee community—in North Gwinnett cluster schools (such as the Level Creek Elementary Winter Carnival) and at local parks (like Suwanee Day).

NGHS Beta members represent some of the most driven students on campus. Our alums have gone on to attend the nation's most prestigious universities: Duke, Yale, Harvard, Princeton, Stanford, MIT, CalTech, University of North Carolina, Florida State, University of Miami, Emory, Brown, the University of Pennsylvania and of course Georgia Tech and the University of Georgia (just to name a few).

Beta Club gives students the opportunity to build leadership skills. In addition to having the opportunity to become an officer, many projects require team captains to help with the planning and execution stages of service projects. Dedicated participation and leadership in Beta Club may also lead to scholarships: through the National Beta Club, a few of our students are granted scholarships every year.

It is an honor to be a member of Beta Club. Please keep in mind that membership is based on the student's cumulative GPA. To remain a member, the student must maintain a cumulative grade percentage of 89.5% or higher. Additionally, there is a community service requirement for members. Maintaining the point and grade requirements throughout your membership will guarantee you a cord at graduation.

We hope you consider joining us in helping change the world that we live in. The Induction Ceremony will take place on March 12, and we encourage all new members to attend. We hold club meetings on the second Thursday of each month to discuss upcoming events along with other exciting volunteer opportunities. Please follow the attached instructions to accept your invitation and join the North Gwinnett Beta Club.
